You will arrive at the main hospital entrance and go to **Zone B**.

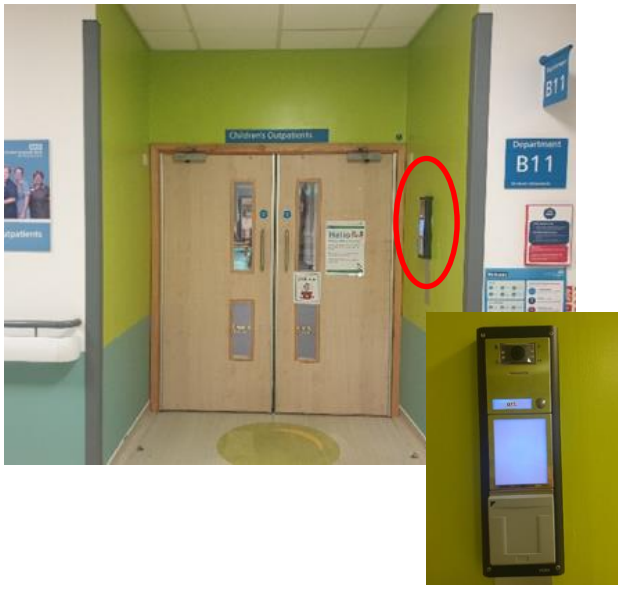

You will go past the **main café** and enter the hospital corridors.

When you walk along the corridor you will see some of these **animals** on the windows.

When you arrive at the Children's Therapy department, **ring the bell** and someone will let you in.

You will follow the yellow paw prints and check in at the reception desk.

You can wait with your adult in the waiting room and sit on some comfy chairs.
